## Fell flood insurance coverage upped

Limits of federal flood insurance coverage have been increased from \$35,000 up to \$185,000 for residents of Fell Fownship. Bernard Mozda, chairman of the Fell Fownship Board of Supervisors, made the announcement of the Increase which resulted from the recent adoption by local elected officials of measures to safeguard property from flooding.

In addition to the increase in the property insurance coverage, contents coverage has been increased from \$10,000 to the present \$60,000.

Federal flood insurance increases for small husiness and other classes of structures

### St. Joseph's holds 'Respect Life Week'

St. Joseph's Hospital, Carbondale, joined other Catholic health care facilities across the country in observing Respect Life Week from Oct. 4-10, with special programming.

The 10th annual week is sponsored by the Catholic Health Association of the United States (CHA).

Discussion during the week centered on the rights for disabled persons as stressed in the current "International Year of the Disabled"; the role of the family, rights of the unborn, children, and aging; human rights, and the continuing concerns of abortion, sterilization, and other issues.

St. Joseph's joined other Catholic hospitals in its advocacy on behalf of protecting all human life from conception to natural death.

Sister Cephan Ryan, 1HM, executive director, said that special events were held during the week to underscore the hospital's philosophy on caring for the "whole" patient and not just treating the illness.

This theme was underscored as well in the p80-1981 annual report of St. Joseph's long the mediation, as an acressary, are made.

This theme was underscored as well in the p80-1981 annual report of St. Joseph's long the mediation of the United St. Joseph's long the mediation, as necessary, are made.

This the means underscored as well in the p80-1981 annual report of St. Joseph's long the mediation of the United St. Joseph's long the main lobby bulletin board under the theme: "Respect Life Week ... All Year 'Round!"

Through these programs, St. Joseph's long the individual's basic right to receive quality health care while also upholding the individual's basic right to regarding health maintenance in an effort to stop or reduce future hospital's top or reduce future hospital's top
